RESPONSE TO NOTICE OF INCOMPLETE REPLY

This paper is in response to the Notice of Incomplete Reply ("the Notice") mailed September 22, 2004. Applicants believe the Notice was sent in error and respectfully request that it be withdrawn.

Applicants assert that, on its face, the executed Declaration and Power of Attorney submitted in conjunction with the Response to Missing Parts on September 7, 2004 complies with 37 C.F.R. § 1.63. The person identified on the Notice is not named on the executed Declaration submitted on September 7, 2004. Furthermore, according to 37 C.F.R. § 1.41 the inventorship of a nonprovisional application is that inventorship set forth in the oath or declaration prescribed by § 1.63 that is filed during the pendency of the application.

The Declaration and Power of Attorney filed contemporaneously with the application on October 31, 2003 was unexecuted. Accordingly, the executed Declaration and Power of Attorney submitted in conjunction with the Response to Missing Parts on September 7, 2004 is proper and controls.

Thus, Applicants believe the Notice was sent in error and that it should be withdrawn. In view of this paper, Applicants further request issuance of a corrected filing receipt. Applicants re-submit the Executed Combined Declaration and Power of Attorney (2 counterparts), filed in the above-referenced application September 7, 2004, and a copy of the Notice herewith.

No fees are believed due with this submission. However, the Commissioner is hereby authorized to charge any fees that may be necessary, or credit any overpayment, to Deposit Account No. 50-0311, Reference No. 19705-001CIP.

Respectfully submitted,

Dated: October 4, 2004
